ENGINEERING**

16th October, 2025

The Director General,

National Agency for Science and Engineering Infrastructure,
Abuja

Sir,

Endorsement Letter for Engr. Dr. Alexander Asanja Jock Proposal for NASENI Research Grant

I am writing to formally endorse Dr. Jock Alexander an Associate Professor under my supervision in the department of Chemical Engineering, Federal University Wukari, to undertake the proposed research work titled **“Production of Eco-Friendly Composite Tiles for Building Applications from Recycled Plastic Waste”**.

Dr. Jock Asanja Alexander has demonstrated a strong academic background, excellent research aptitude, and a deep interest in the proposed area of study. I have closely monitored Dr. Jock and his team progress and can attest to their dedication, analytical thinking, and ability to carry out this research. The proposed research is not only relevant to their academic goals but also contributes meaningfully to the broader field of waste management and recycling.

I have reviewed the research proposal and fully support the scope, methodology, and intended outcomes. I am confident that the team possesses the skills and discipline necessary to complete the research successfully within the given timeline.

I will continue to provide academic supervision and guidance throughout the duration of the research. I strongly endorse their application to undertake this research work and recommend approval without reservation.

Should you require any further information, please do not hesitate to contact me.

Sincerely,

Prof. Ameh, A.O. (Ph.D.)
Head of Department
