The NASENI Research Grant Funding Committee  
National Agency for Science and Engineering Infrastructure (NASENI)  
Abuja.

The Committee Members,

**Endorsement for Dr. Mohammed Adamu Garga's Research Grant Application**

I am writing to express my enthusiastic endorsement of **Dr. Mohammed Adamu Garga** for consideration under the NASENI Research Grant scheme. Dr. Garga is a visionary researcher whose work in various studies.

His recent pilot study at the Biotechnology Development Centre (BIODEC), Katsina titled "*Antibacterial Activity and Phytochemical Screening of Vernonia amygdalina*" demonstrated a groundbreaking method of using available bioresource for therapeutic purposes. Hence, Dr. Garga's research is a prime example of innovation rooted in the local context. He has shown exceptional skill in translating scientific theory into practical solutions that uplift rural communities. His work is in line with one of the NASENI's thematic (Health and Biotechnology).

I have full confidence in Dr. Garga's ability to deliver high-impact results and steward NASENI's investment with integrity and excellence. I urge the committee to give his application your highest consideration.

Thank you for supporting transformative research that drives national development.
