**Subject: ENDORSEMENT OF RESEARCH GRANT APPLICATION**

Dear Review Committee,

I am writing to wholeheartedly endorse the grant application submitted by our team at Electronics Development Institute (ELDI) for the commercialization of the Project-Based Electronics Experimental Test Bed. As the Head of Administration/Human Resources of ELDI, I am delighted to support this innovative project.

The Project-Based Electronics Experimental Test Bed is a cutting-edge technology developed at ELDI, designed to provide a comprehensive platform for electronics experimentation and innovation. This project has the potential to enhance the skills of students, researchers, and industry professionals in electronics development and innovation.

I hereby endorse this grant application, confirming that ELDI has the necessary infrastructure and expertise to support the commercialization of the Project-Based Electronics Experimental Test Bed. We are confident that this project will contribute significantly to the growth of our economy, enhance the skills of our workforce, and promote innovation in the electronics industry.

The commercialization of the Project-Based Electronics Experimental Test Bed will:

- Enhance the skills of students, researchers, and industry professionals in electronics development and innovation
- Provide a comprehensive platform for electronics experimentation and innovation
- Promote innovation and entrepreneurship in the electronics industry
- Create jobs and stimulate economic growth.

I strongly recommend that NRCGP consider this grant application for funding. We look forward to collaborating with NRCGP to bring this innovative technology to the market and make a positive impact on the electronics industry.

Sincerely,
