NASENI Research Commercialization Grant Program (NRCGP)
National Agency for Science and Engineering Infrastructure

Dear Review Committee,

I am writing to wholeheartedly endorse the grant application submitted by our team at Electronics Development Institute (ELDI) Awka, Anambra State, Nigeria, for the commercialization of the Electronic Compact Medical Testing System (ECMTS) prototype. As the Overseeing Officer of ELDI, I am delighted to support this innovative project.

The ECMTS prototype is an all-in-one, user-friendly medical testing system designed to provide accurate and reliable diagnostic results. This innovation has the potential to revolutionize healthcare delivery in Nigeria and beyond.

I hereby endorse this grant application, confirming that ELDI has the necessary infrastructure and expertise to support the commercialization of the ECMTS prototype. We are confident that this project will contribute significantly to the growth of our economy and improvement of healthcare outcomes, in line with our president's **Renewed Hope Agenda**.

If you require any additional information, please do not hesitate to contact me.

Sincerely,

Engr. Dr. Ogunbenro, Oluwaseyi A.
