To: Executive Vice Chairman/CEO

Ref. : SEF/GEN/381/IX/

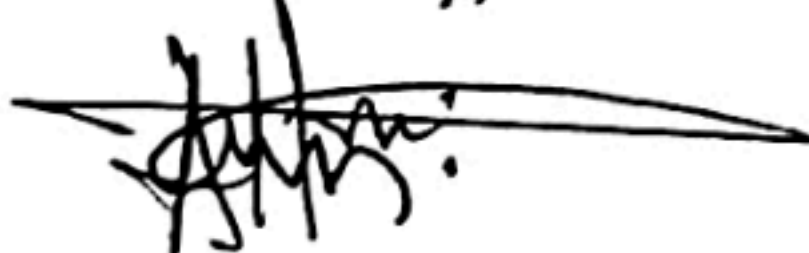

Subject: Letter of Endorsement for Dr.Akpan Udom Mark– For
Mobile Collapsible and Solar Powered Weather Station
Incorporating IoT For Grant

I am writing to formally endorse Dr. Akpan Udom Mark, a Chief scientific officer in research and development department, for his application to the NASENI Research Commercialisation Grant Programme.

The proposed project, "Mobile Collapsible and Solar Powered Weather Station Incorporating IoT ", addresses a significant issue in the field of atmospheric physics, meteorological science, military forward operation base units, aviation sector, disaster relief agencies or humanitarian aid organizations, smart agricultural farming and teaching aid in higher learning Institution..

I am confident in Dr. Akpan Udom Mark's ability to carry out the proposed research with rigor and integrity.

Sincerely,

Attahiru Illiyasu,

Ag.Head of Department.

Research and Development Department.
