LETTER OF ASSOCIATION AS CONSULTANT

I am writing on behalf of Crystal Giga Engineering LTD to formally express our association with the research project titled “**Wind Powered Automatic Irrigation System with Pump Hydro Scheme in Jos Plateau State.**” We are pleased to be engaged as a consulting partner in this innovative and impactful initiative.

As a company committed to sustainable engineering solutions and renewable energy development, we recognize the significance of this project in addressing agricultural challenges and enhancing water resource management in the Jos Plateau region. Our role as consultants will include technical Advisory, design and feasibility support, documentation and reporting, and stakeholder engagement.

We affirm our commitment to the success of this project and look forward to contributing our expertise toward its realization. Please consider this letter as a formal declaration of our association and support.

Should you require any further information or documentation, feel free to contact us.
