Dear, Grant Project Coordinator

LETTER OF INTENT FOR OFFTAKE OF ROSELLE PLUS

We are writing to express our interest in commercializing Roselle Plus, a herbal tea and food drink with numerous health benefits, to your esteemed organization. This letter of intent outlines the proposed terms and conditions for the offtake of our product.

PRODUCT DETAILS

Product Name: Roselle Plus

Description: Processed granules made from *Hibiscus sabdariffa*, *Zingiber officinale*, *Syzygium aromaticum*, and *Citrus lemon* (juice)

PROPOSED TERMS: The relative quantity and rate of production, price of the product and mode of payments will be determined after the production cost has been determined as well as other factors.

Thank you for considering to develop Roselle Plus.

Yours sincerely,

Professor Philip F. Builders
