### ENDORSEMENT OF NASENIMART PROPOSAL

I am pleased to endorse the proposal titled **Nasenimart** an E-Commerce Platform for Promoting and Distributing NASENI Products composed by Yusuf Usman under the principal investigation of Engr. **Dr Sayeed Mohammed Shuaibu**.

2. Having reviewed all the components to be submitted, I find it innovative, viable, and aligned with the submission requirements and the mandate of NASENI on research commercialization. Therefore, I strongly recommend this proposal for consideration and funding support under the program.

Please accept the assurance of my best regards.
