### LETTER OF INTENT FOR NASENI MART PROPOSAL

I wish to express my intention to participate as a principal investigator in NASENI Research Commercialization grant Program and hereby reaffirm investigating fully the originality of the submitted proposal titled **Nasenimart**. An E-Commerce Platform for Promoting and Distributing NASENI and other made in Nigeria Products.

The project is proposed by **Yusuf Usman**, in order to enhance visibility, accessibility, and commercialization of NASENI and some other Nigerian-made products through a sustainable digital platform. I am committed to its successful execution and look forward to contributing to the agency's innovation and commercialization goals.

Please accept the assurances of my best regards.
