### **ENDORSEMENT LETTER ON “DESIGN AND DEVELOPMENT OF AN AUTOMATIC TYRE INFLATION SYSTEM FOR VEHICLES” BY DR NURUDEEN ABDULHAKEEM HASSAN.**

I am writing to strongly endorse Engr. Dr. Nurudeen Abdulhakeem Hassan for a grant to carry out a research on the theme, “DESIGN AND DEVELOPMENT OF AN AUTOMATIC TYRE INFLATION SYSTEM FOR VEHICLES.”

Dr. Nurudeen Abdulhakeem Hassan is a young, diligent, and committed Engineer with a zeal for finding solutions to difficult research problems.

This research, which he’s about to embark on, is novel and, if completed, will be of immense benefit to the engineering community and the world at large.

He is also a dedicated scholar, and I therefore strongly recommend him for this grant.

Thank you.

Dr. Emmanuel O. Onche  
(Head of Department)
